# CHRIS KING

I am a Web Developer with over 11 years of professional experience. I enjoy learning new web technologies and finding creative solutions to tricky problems.

## EXPERIENCE

### SENIOR DEVELOPER

Dynamic Owl / Bonzai Intranet  
Sept 2014 - Sept 2018  
Vancouver BC

- Was the primary developer for Bonzai Intranet, an enterprise intranet solution built on Microsoft Sharepoint, serving 600,000+ daily users
- Planned and developed new features based on product owner's business requirements as well as customer feedback
- Maintained, tested and QA'd a codebase containing React javascript, AWS serverless architecture, as well as numerous Sharepoint libraries and APIs
- Built and maintained tools used by developers and clients to assist with installation and customization of Bonzai

### WEB DEVELOPER

Relentless Technology  
March 2008 - March 2014  
North Vancouver BC

- Worked with a small team developing clients sites from concept to launch
- Turned designer comps into standards compliant, lightweight websites
- Optimized existing sites for better SEO and lead generation
- Ongoing maintenance and client requests

### WEB DEVELOPER

Self Employed / Freelance  
2007 - Present  
Vancouver BC

- Plan, design, build and launch websites from scratch
- Modify existing websites based on new requirements
- Site maintenance and content management
- SEO and online marketing
